STEP 12: You can either allow the App to use your location or manually enter the location closest to you. Click “Next Step”

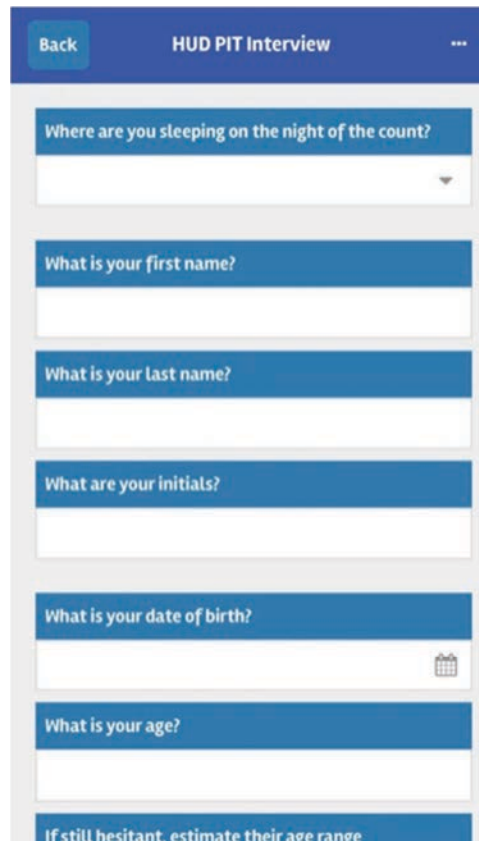

STEP 13: The first question will appear: “Have You Been Interviewed today...” Please select “no”.

The image displays two sequential screenshots of a mobile application interface for a survey. Both screenshots show a status bar at the top with the time (12:20 and 12:21) and various icons. The app's header is a blue bar with the text "Back Sheltered Home..." and a three-dot menu icon.

Left Screenshot: The main content area has a blue header with the question "Have you already been interviewed today for the Point in Time Count?*" and a white dropdown menu below it. At the bottom of the form are two buttons: a green "Submit Survey" button and a blue "Save Draft" button.

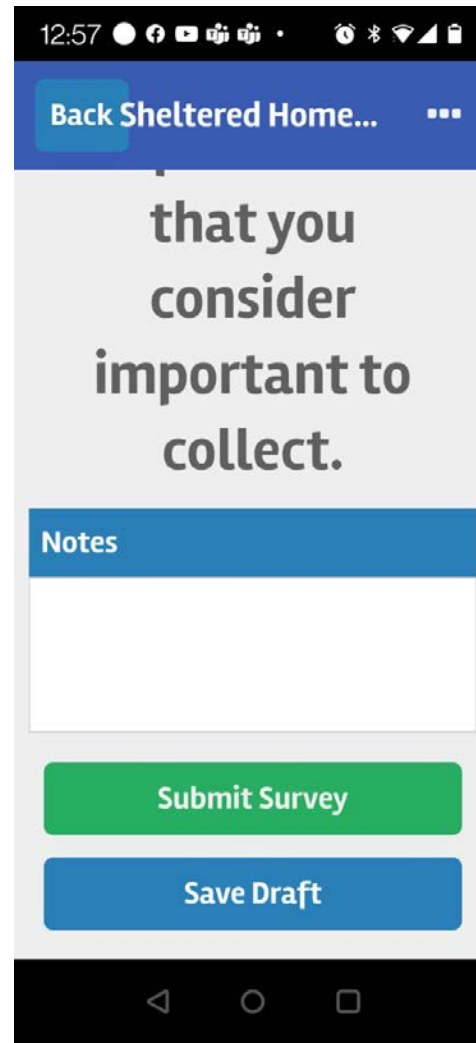

Right Screenshot: The dropdown menu now shows the selection "No". Below this, the section is titled "Personal Info" in bold. It contains two input fields: "What is your first name?" and "What is your last name?". A partially visible question at the bottom reads "If hesitant, ask, 'What are your...'".

STEP 14: Complete the survey by answering as many questions as possible. Please note that many of the questions have drop down menus. Interviewees can choose not to answer any question. There is a “Refused” option in the drop-down menu.

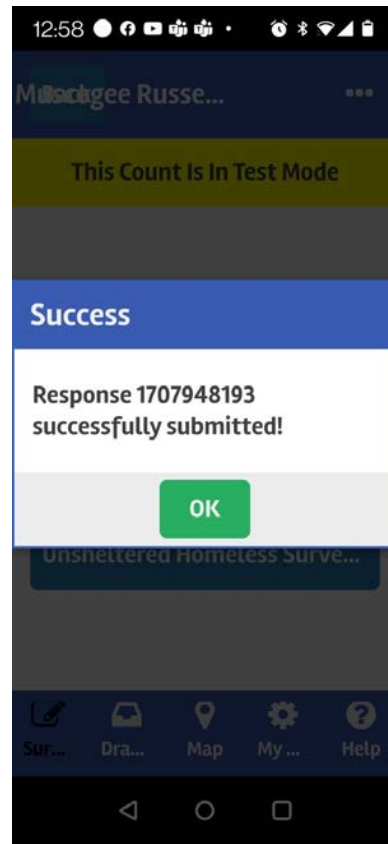

The screenshot shows a mobile application interface for a survey titled "HUD PIT Interview". At the top, there is a blue header bar with a "Back" button on the left, the title "HUD PIT Interview" in the center, and a three-dot menu icon on the right. Below the header, the survey questions are listed in a vertical sequence, each with a blue header bar and a white input area. The questions are: "Where are you sleeping on the night of the count?" (with a dropdown arrow icon), "What is your first name?", "What is your last name?", "What are your initials?", "What is your date of birth?" (with a calendar icon), and "What is your age?". At the bottom, there is a blue bar with the text "If still hesitant, estimate their age range".

STEP 15: In the notes section, please include contact information.

The screenshot shows a mobile application interface. At the top, a status bar displays the time 12:57 and various icons. Below this is a blue header bar with the text "Back Sheltered Home..." and a three-dot menu icon. The main content area has a light gray background with the text "that you consider important to collect." in bold. Below this text is a blue header bar labeled "Notes" above a large white text input field. At the bottom of the form are two buttons: a green "Submit Survey" button and a blue "Save Draft" button. The bottom of the screen shows the Android navigation bar with back, home, and recent apps icons.

STEP 16: Click “Submit Survey” and this should appear. You have then completed that interview. Please note that once you have submitted the survey you CANNOT go back and edit the information. It may be a good idea to ensure you have answered all the questions before submitting.
