2. CoC Scoring Summary (from FY 2022 CoC NOFO)

| Scoring Category | Maximum Score (Points) | Your CoC Score (Points) |
|---|---------------------------|----------------------------|
| 1B. Coordination and Engagement–Inclusive Structure and Participation | 5 | 4 |
| 1C. Coordination and Engagement–Coordination with Federal, State, Local, Private, and Other Organizations | 29 | 24 |
| 1D. Coordination and Engagement–Coordination with Federal, State, Local, Private, and Other Organizations–Continued | 49 | 46 |
| 1E. Project Capacity, Review, and Ranking–Local Competition | 30 | 27.5 |
| 2A. Homeless Management Information System(HMIS)–Implementation | 9 | 8 |
| 2B. Point-in-Time (PIT) Count | 5 | 5 |
| 2C. System Performance | 59 | 36 |
| 3A. Coordination with Housing and Healthcare | 14 | 0 |
| Total CoC Application Score* | 200 | 150.5 |

*The total does not include bonus scores.

3. Overall Scores for all CoCs

| | |
|------------------------------------|--------|
| Highest Score for any CoC | 188.75 |
| Lowest Score for any CoC | 53.5 |
| Median Score for all CoCs | 154.5 |
| Weighted Mean Score** for all CoCs | 162.25 |

**The weighted mean score is the mean CoC score weighted by Annual Renewal Demand. CoCs that scored higher than the weighted mean score were more likely to gain funding relative to their Annual Renewal Demand, while CoCs that scored lower than the weighted mean were more likely to lose money relative to their Annual Renewal Demand.

2C-2 Length of Time Homeless–CoC’s Strategy to Reduce.

NOFO Section VII.B.5.c.

Guidance–

- A. We will use data from HDX **metric 1.2** as part of the score for this question.
- B. Your response to this question must be based on **your CoC’s current strategy to reduce the average length-of-time individuals and families remain homeless**, not the specific metric in A above.

In the field below:

1. describe your CoC’s strategy to reduce the length of time individuals and persons in families remain homeless;
2. describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and
3. provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the length of time individuals and families remain homeless.

Limit 2,500 Characters

This measures the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as well as prior to the report start date, going back no further than October, 1, 2012.

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.

Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

| | Universe (Persons) | | Average LOT Homeless (bed nights) | | | Median LOT Homeless (bed nights) | | |
|-------------------------------|--------------------|---------|-----------------------------------|---------|------------|----------------------------------|---------|------------|
| | Submitted FY 2020 | FY 2021 | Submitted FY 2020 | FY 2021 | Difference | Submitted FY 2020 | FY 2021 | Difference |
| 1.1 Persons in ES and SH | 474 | 467 | 73 | 87 | 14 | 38 | 59 | 21 |
| 1.2 Persons in ES, SH, and TH | 517 | 516 | 89 | 103 | 14 | 48 | 66 | 18 |

b. Due to changes in DS Element 3.17, metrics for measure (b) will not be reported in 2016.

This measure includes data from each client's "Length of Time on Street, in an Emergency Shelter, or Safe Haven" (Data Standards element 3.17) response and prepends this answer to the client's entry date effectively extending the client's entry date backward in time. This "adjusted entry date" is then used in the calculations just as if it were the client's actual entry date.

NOTE: Due to the data collection period for this year's submission, the calculations for this metric are based on the data element 3.17 that was active in HMIS from 10/1/2015 to 9/30/2016. This measure and the calculation in the SPM specifications will be updated to reflect data element 3.917 in time for next year's submission.

| | Universe (Persons) | | Average LOT Homeless (bed nights) | | | Median LOT Homeless (bed nights) | | |

2C-3. Exits to Permanent Housing Destinations/Retention of Permanent Housing–CoC’s Strategy.

NOFO Section VII.B.5.d.

Guidance–

- A. We will use data from HDX **metrics 7b.1 and 7b.2** as part of the score for this question.
- B. Your response to this question must be based on **your CoC’s current strategy to increase the rate that individuals and families exit to or retain permanent housing**, not on the specific metrics in **A** above.

In the field below:

1. describe your CoC’s strategy to increase the rate that individuals and persons in families residing in **emergency shelter, safe havens, transitional housing, and rapid rehousing** exit to permanent housing destinations;
2. describe your CoC’s strategy to increase the rate that individuals and persons in families residing in **permanent housing projects** retain their permanent housing or exit to permanent housing destinations; and
3. provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to increase the rate that individuals and families exit to or retain permanent housing.

Limit 2,500 Characters

Measure 2: The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness

This measures clients who exited SO, ES, TH, SH or PH to a permanent housing destination in the date range two years prior to the report date range. Of those clients, the measure reports on how many of them returned to homelessness as indicated in the HMIS for up to two years after their initial exit.

| | Total # of Persons who Exited to a Permanent Housing Destination (2 Years Prior) | Returns to Homelessness in Less than 6 Months | | Returns to Homelessness from 6 to 12 Months | | Returns to Homelessness from 13 to 24 Months | | Number of Returns in 2 Years | |
|-------------------------------|--|---|--------------|---|--------------|--|--------------|------------------------------|--------------|
| | | FY 2021 | % of Returns | FY 2021 | % of Returns | FY 2021 | % of Returns | FY 2021 | % of Returns |

3A. Coordination with Housing and Healthcare

3A-1. New PH-PSH/PH-RRH Project–Leveraging Housing Resources.

NOFO Section VII.B.6.a.

You must upload the **Housing Leveraging Commitment** attachment to the **4B. Attachments Screen**.

Guidance–

- A. **Combine and upload a copy** of letters of commitment, contracts, or other formal written documents that demonstrate the number of subsidies or units being provided to support all the new projects that leverage housing to the **4B. Attachments Screen** and name the attachment **Housing Leveraging Commitments**.
- B. We will use the information in the **Housing Leveraging Commitment** attachment and the information submitted in **question 3A-3** when determining potential points.
- C. Your Housing Leveraging Commitment attachment must include:
 1. project name;
 2. source of commitment which could be:
 - Private organizations;
 - State or local government, including through the use of HOME funding provided through the American Rescue Plan;

- Public Housing Agencies, including through the use of a set aside or limited preference;
 - Faith-based organizations; and
 - Federal programs other than the CoC or ESG programs.
3. number of housing units for a new PSH proposed project or number of program participants in the RRH and Joint TH-RRH proposed project, which are not funded through the CoC or ESG Programs. For these new projects, the number of units or the number of project participants must be at least **25 percent** of the total units or program participants to be served for full points. We may award partial points for responses that demonstrate less than the thresholds described. The chart below illustrates what we will use to score this question.

| Housing Type | Unit of Measurement | Source for Total Number of Units or Total Number of Program Participants |
|--------------|----------------------|--|
| PSH | Units | 4B |
| RRH | Program participants | 5A |
| Joint TH-RRH | Program participants | 5A |

4. date the units will be available for program participants.

- D.** Though your CoC may submit several new projects—including expansion projects—meeting these criteria, the NOFO states CoC’s will receive full points by demonstrating that they have applied for at least one PSH or RRH project that uses housing subsidies or subsidized housing units not funded through the CoC or ESG programs.

| | |
|--|--------|
| Is your CoC applying for a new PH-PSH or PH-RRH project that uses housing subsidies or subsidized housing units which are not funded through the CoC or ESG Programs to help individuals and families experiencing homelessness? | Yes–No |

Co Responder Survey

- The *DBHDD Co-Response Training Sub-committee* is requesting your assistance in gathering information on “**what co-response related training is needed for co-responders in Georgia.**” The Training Sub-committee developed a survey to gather information on trainings that are already in place for co-response teams and trainings that are in need of development.
- For this purpose, we would like for anyone that is or has been involved with a co-responder program in Georgia to complete this survey (via link below or scanning the QR code). This includes but is not limited to co-response teams, first responders, 911 operators, mental health professionals, co-response program managers, and certified peers.

We have had a few cancellations so we have a few seats available for the Trauma Training on Monday May 8. If you are interested please sign up asap. First come first served.

We are thrilled to be hosting IN PERSON Trauma Training again. While this training's title is "understanding the impact of trauma on children" the participants from our pre-covid sessions said it was extremely helpful when working with the adults they serve.

We hope you and or your staff/colleagues can join us. Registration is required. This training is offered FREE for you thanks to Georgia State University. Please sign up for both the morning and afternoon sessions. Please let me know if you have any questions.
