Enrollment

- Enrollment and Full Participation
 - Homeless children and youth must be enrolled in school immediately, even if they have missed application or enrollment deadlines during any period of homelessness.
 - SEAs and LEAs must develop, review, and revise policies to remove barriers to the identification, enrollment, and retention of homeless students in school, including barriers due to fees, fines, and absences.
 - States must have procedures to ensure that homeless children and youth who meet the relevant eligibility criteria do not face barriers to accessing academic and extracurricular activities, including magnet school, summer school, career and technical education, advanced placement, online learning, and charter school programs, if such programs are available at the State or local levels.
